I am a hard-working and ambitious individual with a great passion for user experience design. I believe in creating work that is not merely aesthetic but also carries conceptually driven meaning and solves real world problems. I am always open to learn and grow as a designer. My design skills and sense of design have developed over my studies in design.

## EXPERIENCE

---

### UI Designer

Ideas Come to Life, Nairobi, Kenya / January 2023 - March 2023

Developed a visual language which was used to create online content for the company's social media platforms and website.

### UX/UI Design Intern

DVT, Johannesburg, Gauteng / June 2022 - 1 month

Redesigned the website of a software development company in collaboration with three other interns. Designed for desktop, tablet and mobile device resolutions.

### Graphic Design Intern

Black & Bright, Pretoria, Gauteng / February 2022 - 1 month

Conceptualised and designed a company's logo.  
Designed landing page of an agency's website.
